

Name: **Tomoyasu Hirai**

Affiliation: Institute for Materials Chemistry and Engineering,
Kyushu University

Tel: +81-92-802-2516

Fax: +81-92-802-2518

Mail: t-hirai[at]cstf.kyushu-u.ac.jp

Education:

2001-2005 Department of Applied Chemistry, Gunma University

(Bachelor of Engineering degree received.)

2005-2007 Department of Organic and Polymeric Materials, Tokyo Institute of Technology

(Master of Engineering received.)

2007-2010 Department of Organic and Polymeric Materials, Tokyo Institute of Technology

(Doctor of Engineering degree received.)

Experience:

2010-2013 Research Assistant Professor, Department of applied chemistry, Kyusyu University

2013- Assistant Professor, Institute for Materials Chemistry and Engineering, Kyushu University

Research Interests:

Polymer Synthesis

Polymer structure, properties, and applications
